How much are tickets?

Ticket prices:

\$50 – student rate (please be honest on this, as we are not earning any profit from this excursion. If you cannot pay the regular ticket price please contact us at hackboat@hackboat.org and we can assist)

\$100 – regular attendee rate

\$250 – benefactor rate

\$500 – Individual Contributor rate

Sponsorship prices:

\$1000 - The gift of time; this provides these events to have an additional hour on the water

\$1500 – The gift of gab; this gets a sponsor table with one attendee, for activity or birds-of-a-feather topic tables

\$100 – The gift of education; this buys a ticket for someone who otherwise can't afford to attend

\$5000 – The gift of longevity; this ensures that there will be future Hackboat Unconferences

What hours will the Hackboat be cruising?

to 2pm

Time on the water should be from 10am

Food and drinks? Lunch and appetizers are provided; there is a bar, but Hackboat attendees are required to pay for their own drinks.

Internet? There will be internet, but it will be boat internet.

Is this an infinitely sized Hackboat? No, there is a limit of 140 people on this Hackboat.

How much money are you making from this?

Ticket costs are structured to just cover costs; sponsorship tiers allow us to put on future Hackboat unconferences and are tax deductible since this is a BSides event. No money is pocketed by anyone from this, and everything over the costs to put this on are put towards the next one (and other cool events).

This FAQ is boring, is there a better one I can read?
